

Bethel Presbyterian Church

Corner of George and Brookland Streets,
Sydney, NS

Our Mission. To share the gospel of Jesus Christ with our community in our worship and our living.

Our Vision is to be a local community of believers where:

- Jesus Christ is head;
- The Bible has the ultimate authority as the true, infallible and complete Word of God;
- Salvation through a personal relationship with Jesus Christ and belief in His finished work on the cross is preached;
- The Gospel of Christ is spread in our community, our nation and around the world in both work and action;
- Believers encourage each other and hold others in higher regard than themselves so that each may use the gifts God has given him/her to the glory of God.

We go out in service to the Lord

Hymn # 324 Great is thy faithfulness
Benediction & Choral Amen
Postlude

WELCOME We welcome everyone to this service of worship this Lord's Day and pray that this will be a time of blessing for all.

Thanks to Sharon McLean for playing the organ today. Everyone is invited to a time of fellowship in the hall following the service.

Thanks from Catherine & David Sneddon:

We thank you so much for all your best wishes, hugs and love you showed us on the occasion of our 50th wedding anniversary. For forty two of those years we have been a part of the fellowship with you at Bethel...truly, you are our Christian family. The apostle Paul said it best to the church at Philippi..."In all our prayers we pray with joy for you and your fellowship in the gospel".

Mission Moments - Achieving Independence Through Agriculture Training

Esther Beza has many responsibilities. The Malawian farmer takes care of her four children and her elderly parents, all while farming two hectares of land. But with changing rain patterns, low soil fertility and poor access to seeds, Esther's crops didn't yield enough food to feed her family. Esther had been skipping meals, but things changed after she participated in an agricultural training project with Presbyterian World Service & Development and Canadian Foodgrains Bank. "I no longer struggle to find seeds, and I have learned to use pig manure for fertilizer," shares Esther, motivated by the fruitful results of the farming techniques she's learned. Esther no longer worries about anyone going hungry.

PWS&D invests in agriculture to benefit communities
