Mission Statement

To share the gospel of Jesus Christ with our community in our worship and our living.

Vision Statement

Our vision is to be a local community of believers where:
Jesus Christ is the head.

The Bible has the ultimate authority as the true, infallible and complete word of God.

Salvation through a personal relationship with Jesus Christ and belief in His finished work on the cross is preached.

The Gospel of Christ is spread in our community, our nation, and around the world in both word and action.

Believers encourage each other and hold others in higher regard than themselves so that each may use the gifts God has given him/her to the glory of God.

Mission Moments

Shining hope

PWS&D helps to ensure access to medical care and training in disease recognition and prevention so that families and communities can grow healthier. Through timely diagnosis, medical care and health education, people affected with leprosy and other illnesses in a poor region of Nepal are improving their health with support from PWS&D partners at the Shining Hospital. Dal is one such person. A reaction to the medication Dal was prescribed for his leprosy left him very sick. Every hospital he visited couldn't provide treatment, until he visited the Shining Hospital. There, Dal received the support he needed to restore his health and the life he enjoyed. This story of hope is shared by 158 patients who received treatment for leprosy over the past year.

PWS&D brings medical care to remote villages

Canadians care!

As we mark Canada Day, let us also celebrate Canada's contributions around the world. International aid plays an important role in addressing poverty, hunger and inequality in vulnerable countries overseas. Support from the Government of Canada for PWS&D's maternal, newborn and child health program in Afghanistan and Malawi maximizes Presbyterian contributions to projects delivering life-saving health care to mothers and babies. Let's continue sharing Canadian compassion and generosity throughout the world. Through the I Care campaign, Canadians can sign a postcard addressed to the prime minister, letting him know that they care about and support Canada's role in ending global hunger and poverty.

PWS&D shares God's love beyond our borders
