Mission Statement

To share the gospel of Jesus Christ with our community in our worship and our living.

Vision Statement

Our vision is to be a local community of believers where:
Jesus Christ is the head.

The Bible has the ultimate authority as the true, infallible and complete word of God.

Salvation through a personal relationship with Jesus Christ and belief in His finished work on the cross is preached.

The Gospel of Christ is spread in our community, our nation, and around the world in both word and action.

Believers encourage each other and hold others in higher regard than themselves so that each may use the gifts God has given him/her to the glory of God.

Mission Moments – A healthy start for newborns

In addition to providing skilled and compassionate care during pregnancy and delivery, PWS&D's maternal, newborn and child health program is improving the well-being of children during their first few years of life. Part of this is ensuring that newborns access postnatal care and necessary vaccinations. In Afghanistan, Fatima hadn't had her 10-month-old seen by a health worker since the day she was born. She is filled with gratitude for the community health worker who visited her home and told her about the importance of protecting newborns against infection through vaccinations. The health worker also told Fatima that this care is provided at a new PWS&D-supported health facility, only two kilometres away. "I would not have known how important vaccinations are for children," shares Fatima.
