**Mission Statement**

To share the gospel of Jesus Christ with our community in our worship and our living.

**Vision Statement**

Our vision is to be a local community of believers where: Jesus Christ is the head.

The Bible has the ultimate authority as the true, infallible and complete word of God.

Salvation through a personal relationship with Jesus Christ and belief in His finished work on the cross is preached.

The Gospel of Christ is spread in our community, our nation, and around the world in both word and action. Believers encourage each other and hold others in higher regard than themselves so that each may use the gifts God has given him/her to the glory of God.

The Presbyterian Church in Canada receive bequests or large donations which are often used to support the work of churches throughout the country in the form of grants. The Session of Bethel applied for a grant from the McBain-Barker Small Community Capital Fund, a trust fund held by PCC. We have been advised that our application has been approved and we will receive a \$10,000.00 grant to support our heat pump installation from the McBain-Barker Fund. We are thankful for this support of our work in Sydney.
