Mission Statement

To share the gospel of Jesus Christ with our community in our worship and our living.

Vision Statement

Our vision is to be a local community of believers where: Jesus Christ is the head.

The Bible has the ultimate authority as the true, infallible and complete word of God.

Salvation through a personal relationship with Jesus Christ and belief in His finished work on the cross is preached.

The Gospel of Christ is spread in our community, our nation, and around the world in both word and action.

Believers encourage each other and hold others in higher regard than themselves so that each may use the gifts God has given him/her to the glory of God.

We will gather in a Service of Music to extend our thanks and best wishes as they prepare for Rev R. Lyle's retirement at the end of August. There will be a reception in the church hall following the Service. Please plan to attend.

Mission Moment

In the aftermath of a devastating earthquake that struck Haiti in August 2021, Presbyterian World Service & Development responded through the ACT Alliance. The emergency response supported 400 families in rebuilding their homes. This response was modelled after successful rebuilding projects following Hurricane Matthew in 2016. In addition, non-food items, including shelter and hygiene kits, were provided for 1,500 families, nutritious food for 1,300 families and agricultural support and supplies for 500 farmers. Community leaders and local volunteers also learned about community-based humanitarian action when confronting a crisis. This knowledge sharing is meant to ensure that when future disasters happen, communities will know how to implement an effective response.
